

# **Junior Chef Dinner**

**On Saturday March 14th Sweetwater will host another Junior Chef's Dinner. Students between the ages of 6 and 14 will join Sweetwater Chef's in preparing a four course dinner for their friends and families. The cost is \$35.00 per person for dinner, not including beverages. There is no charge for the class; however each student will be required to invite a minimum of two paid guests.**

**Students will need to be at Sweetwater by 3:00PM and be prepared to be here for around four hours. We will have chef coats and hats available to the students if they would like one for an additional \$ 25. In the past the class has filled very quickly so make your reservation early. If you have any questions or wish to reserve a space for your student please call Tom at (916)731-8857. You can also visit our website for some pictures of past events and a few more details.**

## **Junior Chef Dinner Guidelines**

This will be a very practical experience in a working kitchen. We will be open for business as usual and will have a complete staff working with and around the students. If your student has ever dreamed about being a chef, this will be the reality of what it is about. We can only allow responsible and mature students to attend. This will not be a demonstration. Students will be involved with every aspect of the dinner preparation.

Here are a few items of importance. Students will need too be here at 3:00pm and need to plan on being here for four hours, give or take. Students should eat before they get here. There may or may not be time to eat. All students should be comfortable with knives and around very hot cooking equipment. They should wear comfortable shoes with a non-slip sole and long pants that could possibly get very dirty. If you have any questions please call Tom, (916)731-8857
